RISING STARS – Session 2
COSTUMES, HAIR, AND MAKE-UP

Dear Parents of Campers in **Rising Stars**,

Thank you for helping us put together your camper's costume for our upcoming show – we look forward to seeing what they bring in!

COSTUMES

We will provide each camper a list of items they need to bring from home for their costume. Please let us know as soon as possible if any of the items on your camper's list are not available to you so that we can find alternatives.

HAIR

We are happy to help your camper style their hair for the show. For hygienic reasons, each camper must bring in their own hair brush and/or comb and personal hair accessories in a bag labeled with their name.

MAKE-UP

In addition to wearing costumes to help your camper get into character, they also have the option to wear stage make-up appropriate to their character in the show. We ask your permission to apply makeup to your camper, and we can either use make-up that you provide, or stage make-up provided by the camp, using separate applicators for each camper.

We will not apply makeup to your camper without your expressed written permission, and if you prefer that your camper not wear makeup for the show, that is completely acceptable.

Thank you again for your support, and we can't wait for you to see how hard your children have been working!
