

HOLTON-ARMS SCHOOL

2024-2025 Health Enrollment FAQs

What information will I need to complete the Health Enrollment process for my child?

1. **Medical provider** information (name, phone, email, etc.)
2. Photos of the front and back sides of your **child's health insurance card**.
3. Knowledge of any important medical information (allergies, medications, conditions, etc.)
 - a. If your child has a severe allergy or condition, our Health Portal will prompt you to fill out an action plan. This may include forms you will need to download, print, and take to your child's doctor. You will see an option to download the form while working through the action plan.

What Health Forms will I need to submit?

PRINT the following forms and **bring them to your child's doctor** during their physical exam visit. Forms are linked in this FAQ, in August Schools, and on the Holton-Arms School [website](#). Once your doctor signs them, you will upload them to the August Schools Health Portal.

**ALL FORMS
DUE AUG 1**

Form Name	Parent Signature?	Dr. or Nurse Signature ?	Notes
Physician's Examination Form		✓	Your child's doctor will require a recent in-person physical exam before completing this form. The exam date must be after August 1, 2023 .
Maryland Immunization Certificate <i>(required if your child is new or is entering grade 7 or 9)</i>		✓	All new students, or those entering 7th or 9th grade must submit a new, completed certificate and be up to date on all booster vaccinations. Holton-Arms does not accept religious/philosophical objections to vaccines. All students above age 5 must have the entire Covid Vaccine series, including a booster, as applicable.
Over-the-Counter Medication Form	✓	✓	Allows the School Nurse to administer certain common over-the-counter medications to your child.
Authorization to Administer Prescription Meds <i>(if applicable)</i>	✓	✓	This form is only required if you need the school nurse to administer prescription medications or over-the-counter medications that are <i>not</i> on the previous form.
Emergency Action Plan <i>(if applicable)</i>	✓	✓	Some conditions, such as severe allergies, asthma, diabetes, and seizures require an action plan. You must download the appropriate form on the August Schools portal and have your physician complete it annually.

How do I upload Health Forms to the August Schools Portal?

Log in to the [Holton-Arms Parent Portal](#), navigate to **School Resources** towards the top of your screen, and click on the purple **August Schools** button.

Click **Requests** and **"Click here to start Health Forms."**
