

Welcome! We are pleased to announce that Holton-Arms School has chosen Tommy Hilfiger School Uniforms as an approved uniform partner for the upcoming school year. We are excited about our partnership with your school community and look forward to serving your uniform needs.

We have created a custom website for your school with one primary goal in mind – to make your shopping experience simple and stress-free. Please take a moment to read the instructions below.

### Ordering Instructions

1. Go to [www.globalschoolwear.com](http://www.globalschoolwear.com)
2. On the Find Your School page, please enter either your Partner School Number (**HOLT01**) or simply enter the name of your school and the state. Select your school to begin shopping.
3. You will be asked for your child's grade and gender. The website will then display your uniform needs specifically for your child's grade and gender at your school.  
Please note that for each product displayed, the website informs you whether the item is Required, Meets Requirement or is an Optional purchase as determined by your school's administrative team. This feature greatly streamlines and simplifies your shopping experience.  
  
**Required:** You are required to purchase this particular style (you may have a choice of colors/logo may be required)  
**Meets Requirement:** Your school is offering a choice of product styles, but at least one is required (For example, you may be offered the choice between two approved styles of polo shirts.)  
**Optional:** You are not required to purchase this particular item, but your school has approved the item for classroom wear.
4. The website will also inform you which products require a school logo as well as those products for which a logo application is optional as determined by your school's administrative team. For further questions about your particular school's dress code please refer to your school's uniform guidelines provided by the school.
5. Once you have identified a product for purchase, select your color, logo, and quantity. The items will be added to your shopping cart, and you will be prompted to either check out or to continue shopping.
6. If you have questions about sizing, click on the Simple Sizing Guide link, and follow the instructions. If you still have questions after using our Simple Sizing Guide, please call the toll free customer service number below. Our customer service team will be happy to assist. You will then be ready to select the correct sizes with confidence.
7. Upon placing your order, you will receive an email confirmation that your order has been received. Once your order has shipped, you will receive an email confirming ship date and tracking information.
8. Your order history will be stored in your account, and you can come back to the website anytime, 24/7, to place additional orders.
